OPINION: Did you like the story ? Why ?

From my point of view, The Phantom of the Opera it's a very good book. At first, I thought the novel would go by very slowly, but as I turned the pages, I liked it more and more. What I liked most about the novel were the mysterious parts, because I love the suspense. On the other hand, I've also really enjoyed the romantic part. Honestly, I would recommend this book, because I think it's a classic that all people would have to read.
